My solo show, *AN OCCASIONAL ORCHID*, was the pick of the 2nd London One-Person Play Festival. It was presented at the Institute of Contemporary Art (ICA) and BAC in London and was also seen in Amsterdam, Hong Kong, Malaysia and Singapore. I was the Associate Artistic Director of TRIPITAKA London Theatre Company from 1997-2000. In 2004, I set up Rice is Nice Productions with Ray Yeung. Our first feature film *CUT SLEEVE BOYS* is represented worldwide by Fortissimo Films. I won BEST ACTOR for *CUT SLEEVE BOYS* at the Madrid Gay & Lesbian Film Festival 2007. From 2009 onwards I worked as Associate Producer on the Singaporean feature, *THE BLUE MANSION* and several shorts including *DOGGY DOGGY*, *ENTWINE & RUB* and the feature *FRONT COVER*. I am the subject of a documentary *DECONSTRUCTING ZOE* an exploration of race, gender and identity.
